SUBJECT: SHIPMENT OF HUMANITARIAN GOODS UNDER THE DENTON  
AMENDMENT TO SAINT VINCENT

REF: SECSTATE 108014

11. (U) Post has a good working relationship with the Good News Project staff in their Wisconsin headquarters and on the ground in the Eastern Caribbean. Recent Denton Program humanitarian shipments to Dominica and St. Lucia were handled very well by the local consignee, working closely with the Good News Project local staff in those countries. The receipt of goods, customs clearance, and distribution to the beneficiaries has been handled smoothly. Post supports the use of Denton Program resources for the planned shipment to St. Vincent and the Grenadines and, as in the past, will work with the consignee and Good News Project staff to take full advantage of the positive public diplomacy aspects of this operation.
